Absence Request Form

All conflicts with ensemble commitments must be cleared 1 month prior to the events dates. Please be specific when providing a reason for your absence. Although I am supportive of other events in your life, you have made a commitment to your organization and your peers so please use good judgement when request an excused absence. We will do an inquiry and validation process of your request. If it is determine that your absence will be excused, you will be required to do a make up assignment that is equivalent in length to the performance (i.e. Football game = 4 hours...make-up assignment = 4 hours). Please be thorough.
